नि. सचिव

यस मन्त्रालयबाट मिति २०७६/०९/२२ गते वन तथा वातावरण सम्बन्धी अध्ययन तथा अनुसन्धानका लागी सहयोग कार्यक्रम विषयमा प्रकाशित सुचना बमोजिम वन, बातावरण तथा प्राकृतिक स्रोत व्यवस्थापनसँग सम्बन्धित स्नातक तथा स्नातकोत्तर तहको अन्तिम वर्षमा अध्ययनरत विद्यार्थीहरुबाट Partial Fulfillment को लागी सोधपत्र तयार गर्न प्रस्ताव माग गरिएकोमा पेश हुन आएका प्रस्तावहरु मूल्याङ्कन गरी मूल्याङ्कन समितिको निर्णय अनुसार तपसिल बमोजिमका प्रस्तावहको अन्तिम सूची (Final List) तयार गरिएकोले यस मन्त्रालयमा प्रस्तुतिकरण गर्न उपस्थितका लागी यो सुचना प्रकाशन गरिएको छ।

SN	Name of the Student	Level	University	Research Topic	Presentation date
1	Alina Dangol	M.Sc. Env. Science	TU/ Kritipur	Hydrogeochemical Assessment of Water and Sediment Dynamics of the Ramaroshan Lake Complex, Sudurpaschim Pradesh Nepal	Presentation on 12th March
2	Arjun Rijal	M.Sc. Forestry	AFU/Hetauda	Impact of Scientific Forest Management in Regeneration and Income(A case study from Baraban collaborative forest and Kailash community forest of Kailali District)	
3	Dinesh Bhandari	M.Sc. Forestry	TU/IOF Pokhara	Assessment of Soil Erosion and Its impact on Agricultural Productivity (Using RMMF Model and Local Perception) (A Case Study in Rangun Watershed, Churia Region of Nepal)	
4	Dinesh Binadi	M.Sc. Botany	Central Department of Botany Tribhuvan University	Impacts of invasive *Ageratina adenophora* (Kalo Banmara) on aboveground native plant and belowground fungal communities in Chure region, Kailali	
5	Gopi Krishna Joshi	M.Sc. Forestry	Institute of Forestry, Dean Office,TU	Current Status, Distribution Of Smooth Coated Otter (Lutrogale Perspicillate) And Conservation Threats In Wetlands Of Shuklaphanta National Park	
6	Pabitra Gotame	M.Sc. Forestry	TU/IOF Hetauda	Assessment of Productivity and Profitability on Scientific Forest Management of Sal Forest. A case study from Patela community forest, Kailali, Nepal.	
7	Pooja Bhatta	M.Sc. Botany	Central Department of Botany Tribhuvan University	Lichen Diversity And Host Specificity Of Epiphytic Macrolichen In Api Nampa Conservation Area	
8	Sabina Rijal	M.Sc. Forestry	AFU/Hetauda	Status and Distribution of Bijay Sal (Pterocarpus marsupium) (A case study from RadhaKrishna Community Forest of Kailali District)	
9	Ankita Chaudhary	B. Sc. Env.Science	Goldengate Int'l College,Ktm	A Study on Status of Ecotourism in selected Wetland of Terai	
10	Chiranjibi Khanal	B.Sc. Forestry	TU/IOF, Hetauda	The Role of Non-Timber Forest Products (NTFPs) in Livelihood of Rural People in Jalawa community forest	
11	Deepa Chand	B.Sc. Env. Science	FWU/ Mahendranagar	People's Perception on climate change and its impacts on biodiversity and agriculture (A case study from Krishnapur Municipality, Kanchanpur, Nepal)	Presentation on 13th March
12	Dinesh Raj Ojha	B.Sc Chemistry	KMC, Dhangadhi	Determination of avilable nitrogen in soil by kjeldahl method and estimation of soil ph by using universal indicator	
13	Kalpana Upadhayaya	B. Sc. Forestry	TU/IOF, Hetauda	An Inventory of Landslide and Mapping of the Most Hazardous Landslide in Khutiya River of Kailali District	
14	Kamal Regmi	B. Sc. Forestry	TU/IOF, Hetauda	Fire Risk Zonation of Far-western Chure Range of Nepal	
15	Khagendra Joshi	B.Sc. Botany	KMC, Dhangadhi	Species diversification and conservation status of tree in Shivashankar CF, Gauriganga 9 Shankarpur	
16	Nabin Singh	B.Sc. Forestry	TU/ IOF Pokhara	An assessment of good governance in CF user groups (A case study from two CF of Kailali Districts)	
17	Pratikshya Giri	B.Sc. Env. Science	FWU/ Mahendranagar	Payment for enivronmental services from ecotourism (A Case study from Sukhlaphanta National Park)	
18	Puspa Chad	B.Sc. Env. Science	FWU/ Mahendranagar	An assessment of potential NTFPs and their contributionn to livelihood of local people (A case study from two CF of kanchanpur)	
19	Sangita Pal	B.Sc. Env. Science	FWU/ Mahendranagar	Impact on water quality Due to river bed mining (Case of lower mahakali river basin)	
20	Sarun Khadka	B.Sc. Forestry	TU/ IOF Pokhara	Effect of canopy opening on regeneration composition, growth and diversity of shorea robusta forest: A silvo-perpective analysis(A case study from CF of kailai District	

Note: Please contact Mr. Nripesh Awasthi (9849031250) or Mr. Gagan Sharma (9845286600) for further details.
